

NEWSLETTER FEBRUARY 2021

Greetings for 2021 let us hope this is a better year for us all.

Welcome to our new members Diny Bode, Brian Bourke, Linda Gadd, Kathy Strong, Kathy Kumericich and Kate Ward.

Thanks to our Group Contacts most of our groups are continuing this year. We are pleased to tell you that Musical Appreciation has been added to our active groups and will meet once a term. There will be also be a 'One Off' activity; so please mark in your diaries 12th March at 1:30p.m for a Quiz and Social afternoon. Make up a team with your friends and challenge your brains - it will be fun!

We are very lucky to have for our first 4th Wednesday speaker on 24th February. Professor Nick Wilson from University of Otago at Wellington Hospital, his subject is 'COVID-19 and Vaccination' a topic we should all be up to date on! On March 24th, our speaker Mr Trevor Tillotson, retired podiatrist and lecturer, will speak on 'Care of our Feet', important for all active U3A members.

All 4th Wednesday meetings are held at Kilbirnie Community Center. The temporary Center can be found at the back of Farmers.

Here is to an informative and social year for all,

Best wishes from the U3A Committee.

Jenny Fellows (Chair)
