

CHAIR'S LETTER

JULY TO SEPTEMBER 2023

Greetings all, hope you have managed to keep well and warm.

We will be having another members meeting in July, themed along art among U3A members. We start with a shared finger food lunch at 1:15pm. Paul Franken will speak about the Arts Bursary Trust for the Eastern Suburbs which he set up some time ago. This will be followed by members who have an artistic bent to show their work.

With small numbers of our members booking for the outings to Circa we have decided to open the opportunity for family members as well. The topical offering of 'Public Notices Election 2023', an amusing satire, is our first offering. We are also hoping to attend 'I want to be Happy' in September followed by 'The Importance of Being Earnest', always a popular play.

At our Speaker's Meeting in September we are pleased to host George Borthwick QSM who will speak about Dr Graham's Homes in Kalimpong India.

If you are contemplating joining Eastern Suburbs U3A be sure you will have a warm welcome!

We look forward to sharing time with you this term and hope you enjoy your U3A.

Best wishes from Jenny and the committee.
